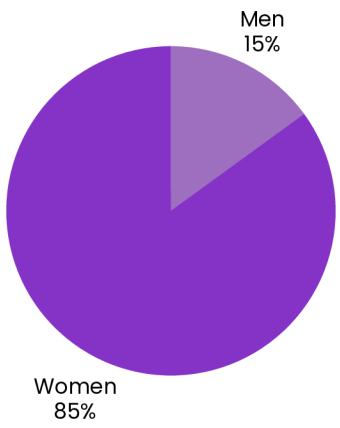
April is sexual assult awarness month

Awareness starts with us

Sexual assault is more common than you think

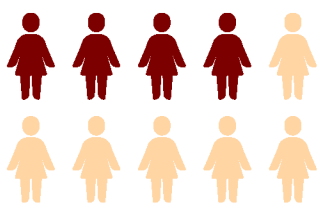
Percentage of assults by gender



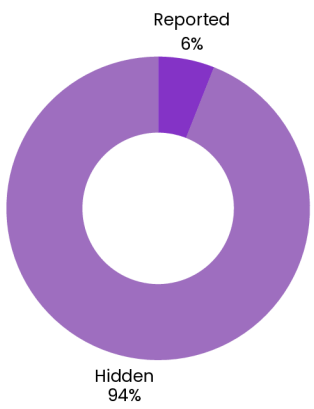
Insight!

85% of sexual assult victims are women

Almost 4 out of 10 women face sexual assult in her lifetime in canada



Percentage of reported assults



Insight!

only 6% of sexual assults are reported

Which groups are more in danger ?

Young women 16-24

Indigenous women

women with disabilities

What we can do ?

Speak up

Don't ignore it when you see something wrong

Talk about it

The more we talk, the less people stay silent

Support survivors

Listen to them
Believe them

No one should be afraid to speak.
Stand with survivors.
